

How to Order Friends books

- 1) Send an email to friendsresources@friendsprograms.com

Resources are provided to accredited facilitators who have undertaken training in the FRIENDS Programs in the last three years so please include in your email details of when your facilitators were last trained. As you can appreciate this requirement is to ensure the integrity of our Programs and to also ensure the Programs are delivered to a high standard.

PLEASE NOTE

- 2) During the transition stages in the supply of the Resources by Barrett Research Resources, clients needing to retrain in the Programs will still be supplied with books until 31st December 2016.
- 3) Our Training Coordinator will contact you (if necessary) to advise you of the next scheduled On Line Training events which are offered at discounted rates to facilitators needing to be retrained.
- 4) Our Resources are available via an on line store and you will be provided with the information necessary to open an account and place your order (once you receive an email indicating that your account is active) – payment is made via Pay Pal account or Visa card with the books shipped from Ireland within 5 working days of the order being placed.
Shipping costs are included on the on line store order form.

Please be assured that we are happy to answer any enquiries or resolve any issues in relation to the supply of Resources and we look forward to hearing from you
